

Career & Technical Education Programs

■ Skilled Trades

■ Automotive Technology

Alternative fuels, automotive service, collision & repair, motorcycle service & repair

■ Construction

Carpentry, construction technology, cabinet making, masonry, drywall, painter

■ Diesel Technology

Diesel services, heavy equipment repair

■ Electrical Technology

Residential, commercial & industrial electrician, avionics, instrumentation

✳ HVAC

Climate & energy control, HVAC technician

■ Welding

Metals fabrication, welding technology

■ Plumbing

Pipefitting, plumbing, steamfitting

■ Heavy Equipment

Operation: digging, lattice crane, mobile crane | Repair certification

■ Technology & Engineering

✳ Aviation Technology

Aircraft dispatch, airframe & power plant, aviation maintenance, unmanned aircraft, pilot

■ Computer IT

Computer support, cybersecurity, data analytics, data engineering, web design

■ Machining

CNC, machine tooling, manual machining

■ Manufacturing

Mechatronics, robotics & automation, process & smart technology

■ Energy Technology

Wind maintenance, lineman, natural gas technology, wind power

■ Marine Technology

Marine fabrication, systems installation, marine technician

■ Agriculture & Environmental

■ Farming & Agriculture

Agricultural maintenance, agronomy, livestock production & reproduction, turf & grounds

■ Commercial Diving

PADI Divemaster, HAZMAT diving, underwater welding & photography

■ Health & Public Service

■ Nursing

Associate degree programs, LPN, CNA

■ Veterinary Technology

Veterinary assistant, veterinary nursing, veterinary technician

■ Protective Services

EMT, fire science & technology, police, waste management

■ Commercial Driving

CDL training

✳ Cosmetology

Barbering, esthetics, hair styling, nail technology

■ Culinary Arts

Chef, sous chef
